Clean Campus Campaign

Date: 20-01-2021

Clean campus promotes Hygiene. It improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter ad as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness only which helps to improve our personality by keeping clean externally and internally.

Udali College,Bamungaon has organized a clean campus campaign on 20th January 2021 to educate and to promote civic sense among students. The cleanliness campaign was initiated by the IQAC of the college in collaboration with Education Department, NSS Unit of the College. The NSS Unit briefed about the importance of cleanliness of the campus. Students were advised not to throw paper plates, water bottle, paper cups, tissues and many unwanted things on campus Library, garden, sitting area, corridors, class rooms ,pathway and other open areas which is very unhygienic to all of us.

The NSS Unit also informed to make the college campus and class rooms a beautiful place for one and it makes individuals healthier when the environment around them is healthy.
