Certificate course in- "Introduction to Recitation"

Session:- 2018-19

Time duration:-6 Months

Udali College has Started a certificate course in the department of Assamese in 2018. The course is offered in all semesters of the BA programme and it open across the department. The course helps students to pursue recitation as a profession.

Amis and Objectives:-

To create interest and understanding in the field of Recitation

To change attitude towards positive way and understand skill aptitude of individual.

To learn the language and literature purely; development of cultural thought.

Spectacle the impact of happier or individual mantel health.

Course Outcome : -

After completing this course the student improve their skill in the area of like news reader, acting, reciting, and pronunciation of pure language etc.Just as all the arts, studies, thoughts, meditations have benefits, the practice of recitation also has great needs and benefits. The practice of recitation improves the voice of the people. This makes the pronunciation clear by removing the inertia of the tongue. Recitation practice also helps in boosting the memory of the students. It helps to understand the human mind with compassion and empathy by integrating ourselves with art and human emotions. Since it is a sacred art, it purifies the mind and as soon as you get your pleasure, it makes others happy with its projection of its feelings. Like every art form, the art of recitation also captivates the listener and contributes to the creation of social feelings by awakening the male sympathy of the heart with its words. Basically, it is one of the best arts of the student as well as the social welfare.

Free Add-On Certificate Course

Title Of theCourse -" SPOKEN ENGLISH(BASIC)"

Time Duration: One Month

Total Hours: 36 Class hours: 1hr 30 minutes

Course Description

Students for whom English is a second language of communication have many challenges when speaking English. Although they develop good vocabulary and learn to use sentences with minimum grammar mistakes, their pronunciation leaves much to be desired. However hard they work, the students can correct their pronunciation only with the help of a professional trainer of pronunciation. Unless this happens, their listeners will not understand them and proper communication will not be happening.

This Speaking Skills course gives any student correction and guidance right from the basic diagnosis of individual pronunciation discrepancies to refining one's conversational and presentation skills.

Aims and Objectives:

The main objectives of this course are

1. To help students identify their flaws in English pronunciation and have an individual plan to rectify them.
2. To help students understand the influences on correct English pronunciation.
3. To help students adapt their speech organs to get near-perfect native English pronunciation.
4. To provide all the necessary knowledge and skills to the students to remember to make a life-long goal to have good English pronunciation.
5. To transcend their knowledge of grammatical & compositional aptitude which would meet the needs of the dynamic career and professional demands.
6. To acquire listening, speaking and reading skills perfectly.

Student Learning Outcomes (SLO)

After completing this course the students will have

i).Got encouraged moving to an advanced level of speaking, writing and reading skills.

ii). developed fluency and clarity of speech and confidently faced any interviews.

iii).understood to use Phonetics to improve their pronunciation.

iv).gained speaking skills to communicate effectively at professional and formal places

vi).Articulated basic English words with ease and communicate with confidence

vii).Applied verbal and non-verbal techniques to experience enhanced expression quality during speaking.
